Rotarians at Work -- April 29 photo recap

"...but they told me Alice went down here after the rabbit... I 'wanna go too"

"Are we done yet?"

"Hey, are you guys sure if I keep digging I'll get to see China?"

"Ah, yup... we think we're getting' pretty close... we almost thought we saw somethin'. We've been digging a long time and, so far, all we've found is roots... it must be China underground... The good thing is we haven't run into any snakes yet"

May Birthdays

May is my favorite month, because that's when our darling Scarlett was born. Can't believe she's a year old already! Happy Birthday Horchata Girl!

Also celebrating birthdays in May:

Reggie Grigsby.....May 28th

Thought for the day..... "May you live all the days of your life"

Jonathan Swift

"Okay Claud, now make sure you've got the stamp right-side up in those books...I think that's what she said..."

"Make sure and call me again in a few minutes for another break. I can't believe I'm working this hard (in my white pants) and I won't even get a tip...what the ...bleep!?!"

"Hey, where are you going with our tables? I didn't say you could take them!"

"Wooah! WHO told you we wanted that big palm tree taken out????!?"

Help! Help!
They're either getting rid of evidence or they're dumping some kind of soil --- where's council when you need 'em And where's my trash can? Somebody stole 'Trashie-pu'

Wait till I tell 'em at work you were looking for Alice in Wonderland

What are these funny little brown things all over the grass? I know they're not avocados, unless they're a Chinese variety...
