President's Point of View

This is where President Tim's words of wisdom are usually found. Such as:

Many times, as I share with my congregation, I utilize the phrase, "We need each other."

Well, he's provided us with a lot of support and prayers during some very tough times in our club with losses, illnesses, and a multitude of issues. He has been put through a lot trying to take care of all of us, his flock. He's so tied up with our challenges and having his own pain and insurance problems, that maybe, just maybe, it's our time to help our President Tim with our thoughts and prayers.

If ever we had the best choice in president for the times we've been going through, that has been Tim who has helped get us through these seemingly endless tough times.

So, what do you say members... it's our time to help our President Tim in anyway we can. Let's make sure we take care of, hug and pray for Tim as well, along with all our members still dealing with difficult issues in their lives. Wow, what a time we're having!!

Update on Laurie's niece: Deana is in Texas at the MD Anderson Cancer Center and is presently on a ventilator and heavily sedated during that time. Jack, her husband is staying back there with her. Her parents, Bruce and Martha, are there also. They are taking each day at a time and definitely are not giving up the battle. Our thoughts are prayers go out to the family.

Since I've been out of the loop myself still mourning my losses, I have no other updates...

MEMBERSHIP, ACTIVE OR PASSIVE

We all proved on Sunday, February 22nd that we are an active club. We sold more tickets than we might have expected because you were all enthused and promoted the Applause For A Cause. Well, I hope that you will all contact those who bought tickets from you and thank them for coming. Once they tell you how much fun they had, you can invite them to a Wednesday meeting. Remember, some of your guests may be wondering why you have never approached them about joining San Luis Rey Rotary.

San Luis Rey Rotary is one of the best-kept secrets in Oceanside. Please get active in promoting our club. If you need material to keep in your wallet or purse so that you can leave something behind after your promoting is over, let me know. My car is full of Rotary information.

Whether or not you make the March (Rotary deadline), new members are always needed. I know Tim would like to have the record show that we brought in tons of members during his term. So pull one out for our fearless (albeit lame) leader. We love you Tim. Let's show him how much by each of us bringing a potential member to a meeting.

No one should be safe from hearing the Rotary pitch and hearing about how much you enjoy your Rotary family.

A little humor which we could all use these days....

A Dutchwoman explains her nation's flag to an American friend. "It symbolizes our taxes," she jokes. "We get red when we talk about them, white when we get our bill, and blue after we pay." "Same with us," says the American. "Only we see stars too".
