President Bob...

Has decided to write his column in invisible ink. I suggest that anyone who wants to can write his column and I will use them as back up in case he pulls the virtual ink trick again.

Jodi Cole

Hey, San Luis Rey Rotary! This is Jodi with a few facts about...well, myself!

As most of you know, I work at Women's Resource Center as Director of Residential Services. My responsibilities there include overseeing the operation of WRC's emergency shelter and transitional housing program for victims of domestic violence. When I'm not at WRC, I spend my time enjoying the company of my husband, Jason, relaxing, Jazzercising (Yes, that's still around!), reading, and working on various home improvement projects. (Didn't I see you at Home Depot?) I also volunteer with Hospice of the North Coast.

While my husband is from Carlsbad, I moved from Illinois to California only four years ago after marrying Jason. He freed me from a life of freezing winters and stifling humidity, and I'm now proud to reside in beautiful Oceanside. Although, I admit that I miss corn fields and lightning bugs. But hey, who wouldn't, right?

I graduated from University of Illinois with a Bachelor's degree in political science, and I inherited a desire to serve others from my parents who have always been active in the community. I'm also proud to say that my dad is a past president of the Streator, Illinois Rotary! I am thankful to WRC for the opportunity they have given me to serve my community, and I hope to broaden that service through my membership in the San Luis Rey Rotary.

It has been a pleasure getting to know you this summer, and I thank you for the warm welcome I have received from all of you. Here's to more fun, friendship and service. See you Wednesdays!
