President's Corner

Greetings, Rotarians & Friends!

I want to thank you all for a GREAT start to the year! I am having a lot of fun gathering with you every Wednesday morning, and I hope you are too.

Our club has a lot to be proud of already this year, thanks to the hard work and efforts of the members of San Luis Rey Rotary. Here is a recap of some outstanding efforts from the members of our club...

- Tim, Dennis and Bob made our Golf Tourney Fundraiser a big hit in June.
- Demotion Party in July was a **blast** thanks to Dennis, Jan, Anita, Barbara, Carol, Mike and everyone else who helped organize the event for Past President Tim.
- SLR Rotary and Civitan clubs put on a successful FUNdraiser in July with Summer Shorts, with special thanks to planners Anne, Jan, Marti, Kay and Carol, and all of you who attended and sold tickets.
- The Board adopted a budget in August thanks to the special efforts of Treasurer Anita and Board Member Nick.
- The Planning Committee generated a lot of great ideas for the Board to work on this year, and we have Sarah, Nick, Jan, Anne and Ron to thank for their participation.
- SLR Rotary has had some **outstanding** program speakers like Larry Perondi, Kaylee Kastrup and Bob Earle, thanks to our Program Chair, Jim!
- Thanks, Barbara, for producing these GREAT newsletters!
- I also want to acknowledge all of the members of our club who represent us in the community in their individual efforts to spread peace and goodwill throughout our community and the world.

BUT WAIT, THERE'S MORE!!!

We have a lot of things to look forward to in the next couple of months and throughout the year. I can't wait to see you every week as we share in the fun and service of being Rotarians.

Warmest regards,

Jodi

On A Personal Note...

Life in the Coe home is pretty good these days. Jason and I are really enjoying Ryder Daring Coe (4 months old), our newest addition to the family. Brody, who is 21 months, is a great brother who loves to hug and kiss his little brother.

Are we tired? YES! Any regrets? NO WAY! As many of you know, it is such a treat to watch little ones learn and grow. I never knew I could love as much as I love those boys, even if they do want to be carried at the same time...20 pounds on one hip and 30 on the other. Whew! J

Anita's saga of her daughter's whereabouts

Anita says: Margie finally got a job in Reno, so I guess that's where she will be for the next couple of years. She will be going to UNReno nursing program in the spring. So I got to visit with her for a week then she left for Reno.....

Tina's daughter's updates:

My Daughter, Brianna is in college and loving it! She found a Rotaract club. She is practicing with the club soccer team and tells me she still finds time for homework. If you have time to drop her a letter, her address is PO Box 4722 Moraga, CA 94575

A dog update: Cokie appeared to be a goner with many health problems, and when taken to the Vet, they prescribed some magic pills and Cokie is now doing much better. Bear is being a bear. His greatest joy is chewing open pillows. Chewing through everything in his path to get to the filler. Hummmm

A Little Humor

My roommate came in from his English midterm looking upset.
"How'd it go?" I asked
Throwing down his book bag, he said, "Does F-A-L-E mean anything to
you?"
